Dear [REDACTED]

The Pershing County School District received your request for information on Monday, November 2, 2009; Friday, October 30<sup>th</sup> was Nevada Day which is a legal holiday school districts must observe and not be in session.

Our district does not have any public records regarding your request since we do not have any contracts with any lobbyists, lobbying organizations, or lobbying firms nor do we have any membership to any lobbying organization. The Nevada Association of School Boards is a 501(c)3 not-for-profit education association, not a lobbying organization.

Additionally, the district has not sponsored, funded, or otherwise underwritten any legislative receptions and, therefore, did not create or produce any invitations relating to such.

Sincerely,

Daniel W. Fox  
Superintendent
